

## signing off

---

If you are a minor, we are firm believers that your parent(s) or guardian(s) need to be involved in your life. In this case, your work life. In our experience if the parent/guardian is not aware of the job requirements, responsibilities or commitment, the employee usually does not succeed or last in this environment. You will need their support in scheduling and getting to work on time. As business owners, our focus is on having employees that are responsible and mature workers.

### \* if you're under 18 \*

Please have your parent/guardian sign this to acknowledge that you are applying for a job at Skipper Dipper. This job would require you to work at least 3 shifts per week (approx 12 hours), of which your son/daughter must be able to work during the week and weekends (day or nights).
